

58th Wedding Anniversary Sky Dive Celebration in the name of Everlasting Love

Saturday, 8 March 2008 - Australia's most loved-up seniors have taken their devotion to new heights to celebrate their 58th wedding anniversary today - with a tandem sky dive.

It's not every day that an 80-year old couple celebrates their wedding anniversary with such exuberance and passion for life, but for Bill & Glenys Ferguson - this is just another example of their everlasting love for each other.

Bill & Glenys Ferguson shot to stardom when they starred naked in the 'controversial' TV advertisement for Virgin Money Home Loans. In the ad, they display their love and attraction for one another - even after all the years they've been together, showing the kind of love Virgin Money Home Loans customers feel from their home loan provider (watch TV ad here: <http://virginmoney.com.au/home-loans/>)

The Fergusons recently returned from a whirlwind trip including sailing the high seas from New York on the QE2's last ever voyage to Sydney last month - a holiday well earned from their efforts starring in the TV advertisement.
