2. Virgin Money Deposit Account Terms and Conditions

This document forms part of the Virgin Money Deposit Account Terms and Conditions. Purchases you make with your Digital Wallet Service using your Card are governed by these Terms and Conditions, the Virgin Money Deposit Account Terms and Conditions and the Virgin Money app Terms of Use. Please review the Virgin Money Deposit Account Terms and Conditions and Virgin Money app Terms of Use for important information on your rights and responsibilities when making purchases.

Where there is an inconsistency between these Terms and Conditions and the Virgin Money Deposit Account Terms and Conditions, these Terms and Conditions prevail.

These Terms and Conditions will only be available electronically for download through the Virgin Money mobile app or online at virginmoney.com.au. It's important to keep a copy of these Terms and Conditions.

3. General

These Terms and Conditions are an agreement between you and Virgin Money that governs your access to and use of your Virgin Money Debit Card through an eligible Digital Wallet Service. The term Digital Wallet Service includes the relevant branded Digital Wallet Service's payment functionality provided by Apple, Google and Samsung (as applicable), the Card provisioning functionality, and display of transaction history. We will determine, at our sole discretion, which Cards may be eligible for use through a Digital Wallet Service and we reserve the right to decline any enrolment of a Card to a Digital Wallet Service where we reasonably consider it necessary or prudent to do so, without the need to give you any reason.

Use of a Digital Wallet Service is at your discretion. You are not obliged to use Digital Wallet Service in connection with any of your Cards.

By registering or using a Card to a Digital Wallet Service you agree to use your Card through that Digital Wall Service in accordance with these Terms and Conditions. If you do not agree to these Terms and Conditions, then you must not register your Card to, or use your Card in connection with, a Digital Wallet Service.

You also acknowledge that your use of a Digital Wallet Service is subject to the terms and conditions set forth, and as applicable, by

- Samsung with respect to the use of Samsung Pay;
- Apple with respect to the use of Apple Pay; or
- Google with respect to the use of Google Pay;

none of which will change or override these Terms and Conditions.

4. About Digital Wallet Services

The Digital Wallet Services we offer are available to cardholders for the purposes of purchasing goods and services with an Eligible Device at

- a) near field communication (“NFC”) enabled merchants; and
- b) an online merchant (whether in-app or through website), who accepts relevant Digital Wallet Services as a form of payment.

Digital Wallet Services allow you to use your Eligible Device to access and use your Cards to make such purchases in place of presenting or using your physical Card. Some terminals may require you to enter your Card PIN.

5. Use of your Virgin Money Debit Card through a Digital Wallet Service

Enrolling your Card

To add your Card to a Digital Wallet Service, you must register your Card through the relevant Digital Wallet Service. Your enrolment will be declined if the Card is not eligible for this service, you failed the authentication process, or if your Card or underlying Account is not in good standing or conducted in a proper or satisfactory manner as determined by us at our absolute discretion, which we shall exercise reasonably. Your Card, in digital form stored on the Digital Wallet Service remains our property at all times.

Acceptable use of passcodes and Biometric Identifiers

If the Card linked to your Account is registered for a Digital Wallet Service on an Eligible Device, you are responsible for ensuring that:

- only your Biometric Identifier is registered on the Eligible Device (and no other person's Biometric Identifier is registered);
- the digital wallet is not shared with anyone and is used only by you;
- you keep your passcode secure in the same way as a Cardholder would a banking password or PIN, including by:
 - o not sharing it with anyone,
 - o not carrying a record of it within an Eligible Device or with anything capable of being stolen along with an Eligible Device (unless a reasonable effort is made to protect the security of it);
 - o not choosing an easily guessable passcode such as your date of birth or a recognisable part of your name; and
 - o not acting with extreme carelessness in failing to protect the security of the passcode.
- you keep the Eligible Device safe and secure (including by locking it when not in use or when it is unattended and by installing up-to-date anti-virus software on it);
- you must take all steps and prevent any fraud, loss or theft in respect of the Eligible Device or any Card in connection with the use of Digital Wallet Service; and
- you remove any Cards from your Eligible Device before disposing of the Eligible Device.

If you:

- let any other person's Biometric Identifier be registered on the your Eligible Device;

- share your passcode with any other person; or
- register a Biometric Identifier on your Eligible Device in circumstances where you are aware that another person is or may be able to use their biometric information to access the Eligible Device,

you are taken to have authorised that person to transact on your account using the relevant Digital Wallet Service. This means that any Digital Wallet Service transaction initiated by that person using the passcode or Biometric Identifier will be authorised by you, you will be responsible and liable for such transaction, and the Virgin Money Deposit Account Terms and Conditions which deal with unauthorised transactions will not apply. You understand and acknowledge that this can result in significant loss or liability to you.

Lost, stolen or compromised devices

Please call us immediately on 13 81 51 (24 hours a day) if:

- your Eligible Device is lost or stolen, personal identification number or other passcode is compromised or used or your Card has been used through a Digital Wallet Service without your permission,
- your Eligible Device mobile service is suddenly disconnected without your permission (which may indicate your Eligible Device and/or your Card(s) added to Digital Wallet Service has/have been subject to unauthorised use or access) ; or
- you suspect a security breach in relation to your Eligible Device or Digital Wallet Service or that an unauthorised person has used your passcode, Card PIN or your other credentials to access the Digital Wallet Service.

If you fail to notify us without delay, you may be liable for part or all of the losses in connection with any unauthorised use of your Card in connection with Digital Wallet Service as further set out in the Virgin Money Deposit Account Terms and Conditions.

Transaction History displayed in a Digital Wallet

The transaction history displayed in a Digital Wallet Service in connection with the use of your Card in a Digital Wallet Service solely represents our authorisation of your Digital Wallet Service transaction using that particular Eligible Device. It does not reflect any post-authorisation activity, including but not limited to clearing, settlement, foreign currency exchange, reversals, returns or chargebacks.

Accordingly, the purchase amount, currency, and other details for your Digital Wallet Service transaction history in connection with use of your Card in a Digital Wallet Service may not match the transaction amount that is ultimately cleared, settled, and posted to your Account statement. If there is any inconsistency between your Account statement and transaction history displayed in Digital Wallet Service, your Account statement, subject to the correction of any error we reasonably determine to exist, shall prevail, and you will remain liable to us for the amounts set out on your statements.

Fees & Charges for using Digital Wallet Services

We currently do not impose a fee for using your Card through a Digital Wallet Service but we reserve the right to impose a fee at our discretion in the future, subject to notifying you in accordance with section 8 of these Terms and Conditions. All applicable interest, fees and charges that apply to your Card pursuant to the relevant Virgin Money Deposit Account Terms and Conditions will continue to apply after you have registered your Card with a Digital Wallet Service.

Your telecommunications carrier or provider may impose web-enablement, data usage or text messaging fees or other charges for your use of Digital Wallet Service. You are responsible for payment of all fees and charges imposed by your telecommunications carrier or provider.

Notifications

As a condition of using your Card in connection with Digital Wallet Service, you acknowledge and consent to us sending notifications and/or text messages to the registered Eligible Device which may or may not be the same device as your mobile phone number on record with us. If at any time you revoke this consent, we may suspend or cancel your ability to use your Card in connection with Digital Wallet Service.

Modifying Eligible Devices

Devices modified contrary to the software or hardware guidelines of a manufacturer, including by disabling hardware or software controls, (commonly referred to as “jail breaking”), are not Eligible Devices. You acknowledge and agree that the use of a modified device to use your Card in connection with Digital Wallet Service is expressly prohibited, constitutes a violation of these Terms and Conditions, and is grounds for us to deny your access to your Cards through our Digital Wallet Services and we will not accept any liability for any losses that you may incur as a result of us denying you access to your Cards through our Digital Wallet Services in these circumstances.

We have the right to suspend or cancel your ability to use your Card in connection with our Digital Wallet Services at any time we consider it reasonably necessary or prudent to do so and need not give you any prior notice or reason for doing so.

Imposing Limits

We may impose a limit on any daily and/or individual transaction amount(s) charged to your Card through a Digital Wallet Service. The limit will be such amount(s) as determined by us and notified to you from time to time. Current limits can be found on the Virgin Money website.

Removal of your Card from a Digital Wallet Service

If you no longer wish to use your Card through a Digital Wallet Service, you can remove your Card from the relevant Digital Wallet Service by following the instructions from that Digital Wallet Service. Removal of your Card from Digital Wallet Service will not terminate your Card in its plastic card form unless you also choose to terminate the plastic card form in accordance with the Virgin Money Deposit Account Terms and Conditions.

6. Authorisation to collect and share data

You acknowledge that

- a) the relevant provider of Digital Wallet Service technology that supports the Cards in Digital Wallet Service, as well as its sub-contractors, agents, and affiliates, and
- b) VISA Worldwide Pte Limited. and its affiliates as well as sub-contractors, agents, and affiliates of such payment networks,

will have access to certain details of your transactions made with merchants via use of your Cards through the Digital Wallet Service.

The purpose of sharing such data sharing is to

- a) perform obligations under this Digital Wallet Service arrangement;
- b) provide you with relevant transaction data;
- c) detect and address fraud;
- d) comply with applicable laws and regulations;
- e) respond to inquiries made pursuant to court orders or by regulators;
- f) manage, make product enhancement to, and/ or promote the use of the relevant Digital Wallet Service; and
- g) create business and/or technical performance reporting.

You acknowledge that the use, storage and disclosure of any personal information provided by you directly to the Digital Wallet Service provider, the VISA payment network, or other third parties supporting the relevant Digital Wallet Service, will be governed by the privacy policy of each relevant party.

7. Merchant relationships and disclaimers

From time to time, merchants may present to you certain discounts, rebates or other benefits (e.g. free shipping) (“Offers”) if payment is effected through a Digital Wallet Service. Such Offers are subject to certain terms and conditions between you and the relevant merchant, and may be subject to change at any time without notice to you. We will not be liable for any loss or damage as a result of any interaction between you and a merchant with respect to such Offers.

Subject to applicable law and the Virgin Money Deposit Account Terms and Conditions, all matters, including delivery of goods and services, returns, and warranties, are solely between you and the applicable merchants. We are not responsible for the goods and services you acquire through the use of a Digital Wallet Service. You acknowledge and accept that all complaints about these goods and services must be addressed to the supplier or merchants of those goods or services.

We do not endorse or recommend the merchants or their products and services that are accessible through a Digital Wallet Service or the Offers that they provide.

This liability clause 7 is subject to your rights under the Australian Consumer Law and nothing in these Terms and Conditions is intended to limit any rights you may have under the Competition and Consumer Act 2010 (Cth).

8. Changes to participation in a Digital Wallet Service and Terms and Conditions

Subject to applicable laws and regulations, at any time where we reasonably consider it appropriate or necessary to do so we may

- a) terminate your use of Cards in connection with a Digital Wallet Service;
- b) modify or suspend the type or dollar amounts of transactions allowed using Cards in connection with a Digital Wallet Service;
- c) change the eligibility of a Card for use with a Digital Wallet Service; and/or
- d) change the Card authentication process.

If we have cancelled or suspended your Card in accordance with the Virgin Money Deposit Account Terms and Conditions, you will not be allowed to use it through your Eligible Device. Please note that this is the case even though you may still see a symbol for the Card on your Eligible Device.

We can change these terms by giving you notice as set out below. Any changes will not increase your liability for transactions already conducted using your Card in a Digital Wallet Service.

We may make changes to these Terms and Conditions as required to immediately restore or maintain the security of a system or individual facility without prior notice. We will notify you of such changes as soon as practicable.

Otherwise, we will give you 30 days' prior written notice of any changes which:

- a) impose or increase our charges relating solely to the use of your Card in a Digital Wallet Service;
- b) increase your liability for losses relating to transactions conducted using your Card in a Digital Wallet Service; or

- c) impose, remove or change a daily transaction limit or other periodical transaction limit applying to the use of your Card in a Digital Wallet Service.

We may make any other changes to the terms applying to the use of your Card in a Digital Wallet Service by notifying you before the change takes place. We will notify you of changes electronically via the Virgin Money app or the Virgin Money website, in writing, advertising in a national newspaper, or another manner allowed by law.

9. Intellectual Property

All intellectual property rights including all patents, trade secrets, copyrights, trademarks and moral rights in a Digital Wallet Service (including text, graphics, software, photographs and other images, videos, sound, trademarks and logos) are owned either by Apple, Google, Samsung, us, our licensors, or third parties.

Nothing in these Terms and Conditions gives you any rights in respect of any intellectual property owned by Apple, Google, Samsung, us, our licensors, or third parties and you acknowledge that you do not acquire any ownership rights by adding your Card to, or using your Card in connection with, a Digital Wallet Service.

10. Disclaimers of Warranty for Digital Wallet Services

Digital Wallet Services are provided by Apple, Google, or Samsung (as applicable). You acknowledge and agree that from time to time, your use of your Card in connection with a relevant Digital Wallet Service may be delayed, interrupted or disrupted for an unknown period of time for reasons we cannot control. Neither we nor our affiliates will be liable for any claim arising from or related to your use of your Card through a Digital Wallet Service due to a delay, interruption, disruption or similar failure that is beyond our reasonable control.

You acknowledge that we are not party to the terms and conditions for a Digital Wallet Service between you and Apple, Google, or Samsung (as applicable), and we do not own and are not responsible for the relevant Digital Wallet Service. We do not provide any warranty in respect of a Digital Wallet Service. We are not responsible for performance, maintenance or other support services for a Digital Wallet Service and shall not be responsible for any other claims, losses, liabilities, damages, costs or expenses with respect to a Digital Wallet Service, including, without limitation, any third party product liability claims, claims that a Digital Wallet Service fails to conform to any applicable legal or regulatory requirement, claims arising under consumer protection or similar legislation, and claims with respect to intellectual property infringement unless arising directly from our mistake, negligence, fraud or wilful misconduct (including those of our employees, officer, agents and contractors). Any inquiries or complaints relating to the use of a Digital Wallet Service, including those pertaining to Intellectual Property Rights, must be directed to Apple, Google, or Samsung (as applicable).

We do not recommend, endorse or make any representation or warranty of any kind regarding the performance or operation of your Eligible Device. You are responsible for the selection of an Eligible Device and for all issues relating to the operation, performance and costs associated with such Eligible Device.

11. Representation and Warranty

You represent and warrant to us that:

- a) to the extent you identified a name at registration, the name identified by you when you registered your Card to be added to Digital Wallet Service is your name;
- b) all Cards you add to Digital Wallet Service is or are, your Card(s);
- c) you and all transactions initiated by you or using any of your Cards added to a Digital Wallet Service will comply with all laws, rules, and regulations applicable to you, including any applicable tax laws and regulations;

- d) you have the authority to authorise the receipt of notices, calls and text messages from us at the phone number you provide;
- e) you will not use any of your Cards through Digital Wallet Service for any fraudulent undertaking or in any manner so as to interfere with the operation of Digital Wallet Service;
- f) you will not permit any use of your Card(s) through Digital Wallet Service by any third party; and
- g) your use of your Card in connection with Digital Wallet Service will comply with these Terms and Conditions.

12. Severability

If any provision or part of a provision of these terms is illegal, invalid or unenforceable, it will be severed from these terms and the remaining provisions (or parts of provisions) will continue in full force and effect.
